Section 125 Cafeteria Plan

How the Plan Works

An IRS Section 125 Plan provides participants an opportunity to receive certain benefits on a pre-tax basis. Under your Employers' Plan, you may pay the premiums pre-tax for your medical, dental, vision and supplemental health plans. Flexible spending accounts are also offered for your health care and dependent care needs for you and your family.

Example of Employee Savings?

	Without a Section 125 Plan (After-Tax Deductions)	With a Section 125 Plan (Pre-Tax Deductions)
Employee Gross Pay	\$ 3,000.00	\$ 3,000.00
Pre-Tax Medical Premiums		\$ 304.00
Taxable Income	\$ 3,000.00	\$ 2,696.00
Tax Rate	25 %	25 %
Taxes Withheld	\$ 750.00	\$ 674.00
Employee Net Pay	\$ 2,250.00	\$ 2,022.00
Post-Tax Medical Premiums	\$ 304.00	
Take Home Pay	\$ 1,946.00	\$ 2,022.00

Flexible Spending Accounts

A Flexible Spending Account (FSA) is a special account for healthcare and dependent care expenses. When you enroll in an FSA, you decide how much to contribute to each account for the entire Plan Year. This annual contribution is then deducted in equal amounts from your paycheck, before Federal & State income taxes and FICA taxes are deducted. These "pre-taxed" funds are automatically deposited in your account through payroll deduction. Unless you have a qualifying event under Section 125 regulations, your election amount will not change during the Plan year.

Managing Your Flexible Spending Accounts

There are two kinds of Flexible Spending Accounts:

- Healthcare Reimbursement FSAs
- Dependent Care FSAs (Day Care Expenses)

Flexible Spending Accounts

You may choose to participate in both plans, depending on the options provided by your employer. Funds in these accounts cannot be co-mingled and the expenses must be incurred during your employer's plan year. Expenses in your flex account that are not incurred by the end of the plan year will be subject to the "use it or lose it" rules regulated by the Internal Revenue Service. Therefore, a decision as to how much you will contribute to your FSA accounts should be made carefully. Based on your Employer's flexible benefits plan year, you have a specified date or "run-off period" following the end of the plan year to submit your claims for reimbursement. If you do not exhaust your account balance, all funds still remaining in your account will be forfeited after this claim period ends. Check with the Plan Administrator to verify the last date that you may file claims to be reimbursed for your eligible FSA expenses.

Healthcare Reimbursement Flexible Spending Account

A Health Care Flexible Spending Account (FSA) is designed to reimburse you for out-of-pocket health care expenses incurred by you or your eligible dependents that are not reimbursable by your medical, dental and vision insurance plans.

Eligible Health Expenses

These expenses may be incurred by you or your eligible dependents. Expenses include deductibles, coinsurance payments, office co-pays, orthodontics, glasses and contacts.

An eligible expense item must not be used for general health or cosmetic purposes. In some instances, you will be required to submit a letter of medical necessity from your health care provider to demonstrate a medical need.

Once enrolled in a health FSA, the entire annual election is available to you on the first day of the plan year. You must spend the funds by the end of the plan year or they will be forfeited from your account.

Special Health Care Expenses

IRS does not allow pre-payment of certain medical treatment programs that may span over multiple plan years. These include orthodontic and prenatal expenses. Reimbursement of the entire expense generally violates the IRS requirement that expenses must be "incurred" during the coverage period and cannot be paid in advance.

Orthodontic Expenses

IRS stipulates how orthodontic expenses can be reimbursed in a health care FSA. You should carefully plan when deciding on your annual election if it includes orthodontic expenses. Special planning should be considered if you are planning to take advantage of an up-front discount payment. Please remember, services must be performed and incurred within the current plan year. Reimbursement of a lump sum

Flexible Spending Accounts

payment to a dentist may not be eligible for services. Also consider services that will be performed over more than one plan year. You will need to provide a copy of your contract with your dental provider, showing the initial deposit and monthly payments. This expense may be setup as a recurring expense throughout your plan year.

Prenatal Expenses

For maternity related expenses, payment cannot be advanced, but are reimbursed as they are incurred. Eligible charges may be reimbursed each time you are seen by your physician for prenatal care, but not in advance of the delivery.

Under the 2020 CARES Act that Congress passed and signed into law on March 27, the items eligible for reimbursement by FSAs and HSAs include OTC medications and menstrual products.

Over The Counter (OTC) Items

The recently enacted Patient Protection and Affordable Care Act of 2010 changes the rules for the purchase of over-the-counter (OTC) products using Flexible Spending Accounts (FSA).

Effective for tax years January 1, 2011 and after, over-the-counter medicines or drugs (e.g. Advil, Ibuprofen, and cough syrup) are not eligible for reimbursement under an FSA, HRA, or HSA without a doctor's prescription. Insulin is the only medicine that doesn't require a prescription.

Supplies you need for medical care (e.g. contact lens solutions, bandages for wounds, thermometers) will continue to be eligible for reimbursement. There are some medical items that may not be allowed unless you have a prescription or letter of necessity from a medical professional for a specific medical condition.

We recommend you retain copies of all OTC documentation for your records. Documentation for reimbursement must state the place of purchase, date, amount, item name, and purchases can be claimed within reasonable quantities. Treatment for eligible expenses cannot be for preventative purposes and items purchased for personal care are not eligible for reimbursement. For example: toothpaste, vitamins, supplements and herbal remedies, and other items used for personal hygiene cannot be claimed for reimbursement.

Examples of Eligible Expenses

In order to use your health care flexible spending account (FSA), the health care item or service needs to be considered "eligible." The Internal Revenue Service – better known as the IRS – has guidelines to determine which expenses are eligible and qualify for reimbursement from your FSA. Typically, an eligible expense must be a service or product that is purchased for medical care to help treat a medical condition or prevent a disease, among other things.

As you shop for care and for health care items, use this as a helpful guide. This list does not include everything. In fact, the IRS may modify the guidelines from time to time, which may cause the list to change.

Flexible Spending Accounts

- Acupuncture
- Alcoholism treatment
- Ambulance
- Artificial limbs
- Artificial teeth
- Breast reconstruction surgery (mastectomy-related)

Ineligible medical expenses examples:

- Advance payment for future medical care

- Cosmetic surgery (unless necessary due to disfiguring trauma or disease)

Dependent Care FSA

The Dependent Care Assistance account allows you to pay for “employment related expenses” that enable you and your spouse to be gainfully employed, seek employment, and/or be a fulltime student. In general, expenses must be for the “care” of a qualifying individual.

Reimbursement may also include eligible expenses for children or elder dependents that rely on you for their care.

Flexible Spending Accounts

Eligible DCAP Expenses

Some examples of eligible expenses include:

- care in and outside the home
- child-care/dependent care centers
- before and after school care
- nursery school and preschool expenses
- preschool tuition
- day care camps and facilities (*only for “care” and not primarily for educational purposes*).
- Adult day care expenses

Expenses for services provided outside the employee’s home by dependent care centers must comply with state and local laws. Your care provider must report day care income on their taxes to be considered as eligible.

Dependent Care FSA must be for children under 13 years of age, unless they meet the qualifications of physically or mentally incapable of self-care.

DCAP Reimbursements

The total amount you choose to contribute should be based on your expected child and/or dependent care expenses during the plan year. A single parent, or employee that is married but filing separately is limited to \$2,500 for the Plan year. If your spouse has a dependent care account through their employment, the two accounts cannot exceed \$5,000 during a given plan year. IRS requires that the amount reimbursed to a participant must first be on deposit in their account. When a claim is filed we first verify that there are adequate funds in the account to =pay the entire claim. When sufficient funds are not available, participants are issued the maximum amount available in their account. The remainder of the reimbursement request is paid when additional funds are received through payroll deposits.

Ineligible Expenses

The following items are examples of expenses that are generally considered as ineligible for reimbursement in a Dependent Care FSA:

- Educational expenses, except where an eligible child attends preschool or nursery school
- Field trips, clothing
- Late payment or finance charges
- Payments for lessons
- Tuition expenses
- Overnight camps
- Kindergarten expenses

- Name of service provider
- Name of patient
- Date of service or sale

- Amount of unreimbursed service or *sale*

Invalid Substantiation

A sales receipt normally shows only the date and amount of a transaction. These receipts do not provide the patient's name, a description of the service or show the actual date the service was performed.

Flex Debit Card

The Flex Card is an automatic way to pay for qualified health care expenses. It is not a credit card, but can be used to pay for your eligible health flexible spending account (FSA) purchases. The value of the participant's annual contribution is loaded on the Card, and amounts of qualified purchases will be automatically deducted from your account. The Card may be used for eligible flexible spending account (FSA) expenses as determined by Section 213(d) of the Internal Revenue code.

You may use the Card for co-pays at hospitals, physician offices, pharmacies, dental offices, vision service locations, and wherever they accept MasterCard® or Visa® cards. Only eligible expenses incurred during the current plan year and/or grace period can be claimed as eligible expenses.

Substantiation of Flex Card purchases

Many purchases do not require receipts and can be automatically substantiated by one of the following IRS approved methods:

IIAS Approved	<i>If you purchase your FSA eligible item at a merchant utilizing the Inventory Information Approval System, the charge is fully substantiated without the need for submission of a receipt or further review.</i>
Co-Payment	<i>If the dollar amount on your Flex Card transaction at a health care provider equals the dollar amount of the co-payment for the service under your major medical plan, the charge is fully substantiated with no need for submission of a receipt or further review.</i>
Recurring Expense	<i>If you use your Flex Card for recurring medical expenses, the charge is substantiated with no need for submission of a receipt or further review. Please note that an initial receipt request will be made to establish the expense as recurring.</i>

Flexible Spending Accounts

Receipt Request

You will be required to submit itemized receipts for the following flex card debit purchases:

- *All FSA eligible items purchased at a 90% Rule Merchant*
- *All transactions at a health care provider that does not equal your co-pay amount*
- *Some dental procedures and vision care products and expenses*

You will receive a "Receipt Request" letter notification if you are required to submit receipts to substantiate a Flex Card purchase

Reasons your Flex Card may be declined

Your Flex Card may be declined for the following reasons:

- *Merchants do not Accept Master Card or Visa*
- *Ineligible Medical Expense*
- *Non IIAS Merchant*
- *Non-Medical Facility*
- *The expense is greater than you available FSA fund balance*
- *Your Flex Card has been inactivated due to outstanding receipt requests for substantiation*
- *Merchant is attempting to process your Flex Card as a debit card instead of a credit card*
- *Merchant is experiencing problems with their system.*

Termination of Employment

Health Care FSA

When you terminate employment, your participation in the plan ends and you will no longer be able to incur expenses for reimbursement. Your salary reductions will end; however you may still file claims for dates of service incurred before your termination as long as they are within your eligible plan year.

Dependent Care FSA

If you have not received reimbursement for all contributions made into your DCAP upon your termination of employment, you may continue to incur expenses during the plan year and submit claims reimbursement. Generally you may submit claims through the plan year run-off period until all your contributions are used.

COBRA

COBRA does not apply to DCAP. However, COBRA may apply to your Health Care FSA account and allow you to continue participation in your URM, thus allowing you to receive reimbursement for medical expenses incurred after your employment termination if you terminate employment and you have contributed more into your Health Care FSA than you have received in benefits.

Ameritas Information

We're Here to Help

This plan was designed specifically for the associates of **Clovis Municipal Schools**. At Ameritas Group, we do more than provide coverage - we make sure there's always a friendly voice to explain your benefits, listen to your concerns, and answer your questions. Our customer relations associates will be pleased to assist you 7 a.m. to midnight (Central Time) Monday through Thursday, and 7 a.m. to 6:30 p.m. on Friday. You can speak to them by calling toll-free: 800-487-5553. For plan information any time, access our automated voice response system or go online to ameritas.com.

Dental Rewards®

This dental plan includes a valuable feature that allows plan members to carry over part of their unused annual maximum. A member must submit at least one claim during the benefit year while staying at or under the plan-specific threshold amount. Earns an extra reward, called the PPO Bonus, by seeing a Network Provider. Employees and their covered dependents may accumulate rewards up to the stated maximum carry-over amount, then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards will be lost; but he or she can begin earning rewards again the very next year.

Benefit Threshold	\$250	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$125	Dental Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$50	Additional bonus is earned if the member sees a network provider
Maximum Carryover	\$500	Maximum possible accumulation for Dental Rewards and PPO Bonus combined

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553. **Your provider network is Ameritas Classic Network.**

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 6 months they are covered.

Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator.

After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

We're Here to Help

This plan was designed specifically for the associates of **Clovis Municipal Schools**. At Ameritas Group, we do more than provide coverage - we make sure there's always a friendly voice to explain your benefits, listen to your concerns, and answer your questions. Our customer relations associates will be pleased to assist you 7 a.m. to midnight (Central Time) Monday through Thursday, and 7 a.m. to 6:30 p.m. on Friday. You can speak to them by calling toll-free: 800-487-5553. For plan information any time, access our automated voice response system or go online to ameritas.com.

Dental Rewards®

This dental plan includes a valuable feature that allows plan members to carry over part of their unused annual maximum. A member must submit at least one claim during the benefit year while staying at or under the plan-specific threshold amount. Earns an extra reward, called the PPO Bonus, by seeing a Network Provider. Employees and their covered dependents may accumulate rewards up to the stated maximum carry-over amount, then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards will be lost; but he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Dental Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$100	Additional bonus is earned if the member sees a network provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Dental Rewards and PPO Bonus combined

Orthodontia - Initial Insureds Only

Ameritas will provide coverage on current orthodontic treatment programs and pay up to Ameritas' orthodontic maximum minus any benefits the member has received from the prior carrier. These takeover benefits only apply to initial employees and their dependents on the plan's effective date and are not available to new enrollees who enroll after case implementation.

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553. **Your provider network is Ameritas Classic Network.**

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 6 months they are covered.

Frequently asked questions

Do I need to answer any health questions to enroll?

If you contribute to the cost of your insurance, you may need to complete health questions if you don't elect coverage when it's first available to you and you want to elect at a later date, or if you want to increase coverage. To answer health questions, please fill out our Evidence of Insurability Application. Health questions must be approved by Sun Life before coverage takes effect. Please see your Certificate for details.

How do I file a Short-Term Disability claim?

If you become disabled after the effective date of coverage, check with your employer to make sure you are eligible for benefits. You can file a claim with us by downloading forms from our website. We'll ask you and your doctor to provide information about your medical condition and your expected recovery.

How do I qualify for benefits?

You'll start receiving disability payments if you satisfy the Elimination Period (see "When benefits begin" in the table) and meet the policy's definition of disability. Generally, disability is defined as your inability to perform some or all of your job duties due to your injury, illness or pregnancy and may require that you have also had a certain percentage of earnings loss due to your disability. Please see your Certificate for details.

What if I have a pre-existing condition?

If you become disabled within 12 months of your insurance taking effect or 12 months following any increase in your amount of insurance, we will not pay any benefit for any pre-existing condition. A pre-existing condition includes anything you have sought treatment for in the 3 months prior to your insurance becoming effective. Treatment can include consultation, advice, care, services or a prescription for

drugs or medicine.

Can I work while I'm disabled?

Your plan is designed to encourage and support your return to work. If you are able to work part-time, for example, you may receive part of your benefit while working.

Will income from other sources affect my benefit?

Your benefit may be reduced by Social Security benefits; disability benefits from retirement, government plans or state disability income such as California SDI; state paid family and medical leaves; other group disability plans; no-fault benefits, salary continuance or sick leave; and return-to-work earnings. For more information or to determine if this coverage is appropriate for you, contact your benefits administrator.

How is my benefit taxed?

If you or your employer pays for all or part of the cost of coverage on a pre-tax basis, all or part of your benefit amount will be Form W-2 taxable income. In these situations, FICA tax deductions may reduce the amount we will pay you.

The group disability insurance policies described in this advertisement provide disability income insurance only.

However, in no event will Eligibility or coverage of any Child continue beyond the date that the Employee's coverage ends. Thereafter, We may require proof, but not more frequently than annually.

Portability

On the date the Policy terminates or the date the Named Insured ceases to be Actively at Work as an Employee and is not Totally Disabled, Insureds and their covered dependents will be eligible to exercise the portability privilege. Portability coverage may continue beyond the termination date of the Policy, subject to the timely payment of premiums. U.S. Business Intermediary and Producer Compensation Notice

Metropolitan Life Insurance Company, herein called MetLife, enters into arrangements concerning the sale, servicing and/or renewal of MetLife group insurance and certain other group-related products (“*Products*”) with brokers, agents, consultants, third party administrators, general agents, associations, and other parties that may participate in the sale, servicing and/or renewal of such products (*each an “Intermediary”*). MetLife may pay your Intermediary compensation, which may include, among other things, base compensation, supplemental compensation and/or a service fee. MetLife may pay compensation for the sale, servicing and/or renewal of products, or remit compensation to an Intermediary on your behalf. Your Intermediary may also be owned by, controlled by or affiliated with another person or party, which may also be an Intermediary and who may also perform marketing and/or administration services in connection with your products and be paid compensation by MetLife.

Base compensation, which may vary from case to case and may change if you renew your products with MetLife, may be payable to your Intermediary as a percentage of premium or a fixed dollar amount. MetLife may also pay your Intermediary compensation that is based upon your Intermediary placing and/or retaining a certain volume of business (*number of products sold or dollar value of premium*) with MetLife. In addition, supplemental compensation may be payable to your Intermediary. Under MetLife’s current supplemental compensation plan (SCP), the amount payable as supplemental compensation may range from 0% to 8% of premium. The supplemental compensation percentage may be based on one or more of: (1) the number of products sold through your Intermediary during a one-year period, or other defined period; (2) the amount of premium or fees with respect to products sold through your Intermediary during a one-year period; (3) the persistency percentage of products inforce through your Intermediary during a one-year period; (4) the block growth of the products inforce through your Intermediary during a one-year period; (5) premium growth during a one-year period; or (6) a flat amount, fixed percentage or sliding scale of the premium for products as set by MetLife. The supplemental compensation percentage will be set by MetLife based on the achievement of the outlined qualification criteria and it may not be changed until the following SCP plan year. As such, the supplemental compensation percentage may vary from year to year, but will not exceed 8% under the current supplemental compensation plan.

The cost of supplemental compensation is not directly charged to the price of our products except as an allocation of overhead expense, which is applied to all eligible group insurance products, whether or not supplemental compensation is paid in relation to a particular sale or renewal. As a result, your rates will not differ by whether or not your Intermediary receives supplemental compensation. If your Intermediary collects the premium from you in relation to your products, your Intermediary may earn a return on such amounts. Additionally, MetLife may have a variety of other relationships with your Intermediary or its affiliates, or with other parties, that involve the payment of compensation and benefits that may or may not be related to your relationship with MetLife (*e.g., insurance and employee benefits exchanges, enrollment firms and platforms, sales contests, consulting agreements, participation in an insurer panel, or reinsurance arrangements*).

More information about the eligibility criteria, limitations, payment calculations and other terms and conditions under MetLife’s base compensation and supplemental compensation plans can be found on MetLife’s Website at www.metlife.com/business-and-brokers/broker-resources/broker-compensation. Questions regarding Intermediary compensation can be directed to ask4met@metlifeservice.com, or if you would like to speak to someone about Intermediary compensation, please call (800) ASK 4MET. In addition to the compensation paid to an Intermediary, MetLife may also pay compensation to your representative. Compensation paid to your representative is for participating in the sale, servicing, and/or renewal of products, and the compensation paid may vary based on a number of factors including the type of product(s) and volume of business sold. If you are the person or entity to be charged under an insurance policy or annuity contract, you may request additional information about the compensation your representative expects to receive as a result of the sale or concerning compensation for any alternative quotes presented, by contacting your representative or calling (866) 796-1800.

Accident Insurance

Kathy's daughter, Molly, was riding her bike to school. On her way there she fell to the ground, was knocked unconscious, and was taken to the local emergency room (ER) by ambulance for treatment. The ER doctor diagnosed a concussion and a broken tooth. He ordered a CT scan to check for facial fractures too, since Molly's face was very swollen. Molly was released to her primary care physician for follow-up treatment, and her dentist repaired her broken tooth with a crown. Depending on her health insurance, Kathy's out-of-pocket costs could run into hundreds of dollars to cover expenses like insurance co-payments and deductibles. MetLife Group Accident Insurance payments can be used to help cover these unexpected costs.

- **Are you eligible?** Benefits are available to employees who are actively at work on the effective date of coverage and working the minimum number of hours per week stated in the contract.
- **Your premiums and benefits may vary.** Actual premiums and benefit amounts will be calculated by OneAmerica and may change upon reaching certain ages, according to contract terms, and are subject to change. Volumes and benefit amounts shown may be subject to reductions due to age.
- **Enroll timely for guaranteed issue coverage.** You may be eligible for coverage without having to answer any health questions if you enroll during the initial enrollment period when benefits are first offered by OneAmerica®, or if you enroll as a newly hired employee within 31 days after any applicable waiting period.

Protecting Your Loved Ones — No Matter What

“Will my loved ones be OK when I’m gone?” It’s a difficult question to ask yourself, but an important one all the same.

If you were to pass away unexpectedly, how would your loved ones cope financially? Would they be taken care of? Or would they find themselves struggling to make ends meet while still in the midst of their grief?

A Growing Gap for Families

Across the country, American families face a growing insurance gap. In early 2020, 46% of U.S. adult consumers didn’t own life insurance.¹ Yet, 44% also stated that their families would begin to feel the financial effects within six months of a primary wage earner passing away — and 28% would do so within just a month.¹

But life insurance isn’t just about protecting your loved ones in the short term. It can also be a way of providing for them for decades to come, by keeping them on track for their long-term goals, whether they be college education, home ownership or even retirement.

Information about PURELIFE-plus

MINIMAL CASH VALUES Buy this policy for its life insurance protection, not its cash value. The primary benefit is life insurance. Payment of the Table Premium produces a small cash value (Benchmark Cash Value).

PERMANENT LIFE INSURANCE COVERAGE Unlike group term life insurance, PureLife-plus is a personally owned, permanent individual life insurance policy to age 121 that can never be canceled or reduced as long as you pay the necessary premiums, even if your health changes.

GUARANTEED PERIOD Continuous, timely, and uninterrupted payment of the Table Premium guarantees coverage for the Guaranteed Period stated in the policy. Texas Life (We) cannot legally predict the premium required to continue coverage after the Guaranteed Period. It may be lower, the same, or higher than the Table Premium. However, if the premium to continue coverage is ever higher, We guarantee a limited right to a partial refund of premium.

GUARANTEED LIMITED RIGHT TO PARTIAL REFUND OF PREMIUM If a premium higher than the Table Premium is ever required to continue coverage after the Guaranteed Period, you have the choice to: (a) pay the higher premium(s) required to continue coverage; or, (b) surrender the policy and receive a partial refund of premium equal to 120 times the minimum monthly premium due at issue (10 years worth of Table Premium). You are eligible for this refund if the actual cash value equals or exceeds the Benchmark Cash Value and you have taken no prior partial surrenders. Conditions apply.

ACCELERATED DEATH BENEFIT For no added premium, the policy includes an Accelerated Death Benefit Due to Terminal Illness Rider (Form ULABR-07).¹ ("Terminal Condition" in PA.) If the insured becomes terminally ill (or has a terminal condition in PA or a qualifying event in a state with ICC in the policy form number) you may elect to claim an accelerated benefit while the insured is still alive in lieu of the insurance proceeds payable at death. In most states the single sum benefit is 92% (84% in IL) of the insurance proceeds. There is also an administrative fee of \$150 (\$100 in FL). This is not a long-term care benefit. Terminal Illness (or Condition) is an injury or sickness diagnosed and certified by a qualifying physician that, despite appropriate medical care, is reasonably expected to result in death within 12 months (24 months in IL). We can, at our expense, request the opinion of a physician We choose. A 90-day exclusion period applies unless the terminal illness results from accidental bodily injury (30 days in CT, IL, LA, MD, UT; 0 days in OR, PA, SC) Other conditions and limitations apply. Pay premiums faithfully. The rider terminates if the policy ever lapses for non-payment of premium, even if the policy is later reinstated. The right to accelerate benefits under this rider does not extend to any Child Term Life Insurance Rider. However, if the accelerated benefit is paid, the Child Rider becomes paid-up term insurance to each insured child's age 25. Payment of the Accelerated Death Benefit terminates the policy and all optional benefits/riders without further value.

CHILD TERM LIFE INSURANCE RIDER In lieu of an individual policy on each child, if the primary insured is age 59 or less you may apply for a Child Term Life Insurance Rider for \$10,000. It insures the primary insured's children and step-children who are ages 15 days through age 18 at the time of application. Children thereafter born to or adopted by the primary insured are covered 15 days after birth. Coverage continues to age 25. Coverage terminates at the primary insured's age 65. Coverage on a step-child ceases upon the primary insured's divorce from the step-child's natural or adoptive parent. If the primary insured dies, coverage is paid-up to the earlier of the insured child's age 25 or the Contract Anniversary Date on which the primary insured's Attained Age would have been 65. (ULCL-CIR-07)

IMPORTANT NOTICE The insurance proceeds, cash values, and loan values will all be reduced to zero and will no longer be payable if Texas Life pays the Accelerated Death Benefit. The benefit under this rider is intended to qualify for favorable income tax treatment under the Internal Revenue Code of 1986. If the benefit qualifies for such favorable tax treatment, it will be excludable from your income and not subject to federal income taxation. Receipt of the benefit may affect your, your spouse's or your family's eligibility for Medicaid, Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. Tax and public benefit laws relating to acceleration of life insurance benefits are complex. You should consult a qualified tax or legal advisor or social services agency to determine how receipt of such payment will affect you and your family. Neither Texas Life nor its agents are authorized to give tax or legal advice.

INTERIM INSURANCE Interim insurance will be in force on the application date if these conditions are met: (1) the insurance is purchased through automatic deduction; (2) the deduction authorization is signed; and, (3) the proposed insured is insurable at standard rates under our rules and usual practice. Interim insurance remains in effect until the earlier of: (a) the Policy Date; (b) the date we decline the application; (c) the date We notify the applicant that s/he is ineligible for interim insurance; or, (d) the 180th day after the application date. In Kansas, clauses (3) and (d) do not apply, and clauses (b) and (c) apply only when we refund all premiums.

This is a summary only. Policy provisions prevail. This information is not a contract or an offer to contract.
Policy Form PRFNG-NI-10

Like most life insurance policies, Texas Life policies contain certain exclusions, limitations, exceptions, reductions of benefits, waiting periods and terms for keeping them in force. Please contact a Texas Life representative for costs and complete details.

PLAN HIGHLIGHTS

Visit NBSbenefits.com/403b for additional information

Congratulations! You are eligible to participate in the 403(b) retirement plan provided by the **Clovis Municipal Schools 403(b)**. Contributing to a 403(b) plan will give you peace of mind through financial security during your retirement. A 403(b) plan allows you to contribute a portion of your compensation as a pre-tax or post-tax (Roth) contribution (if allowed by your Employer) in order to save for retirement. Participation in the 403(b) plan is completely voluntary. If you are already contributing to the 403(b) plan, now is a perfect time to increase your contributions.

What is a 403(b) Plan?

A 403(b) plan, also known as a Tax-Sheltered Annuity (TSA), is a tax-deferred retirement plan provided for employees of certain tax-exempt, governmental organizations or public education institutions.

What are the benefits of contributing to a 403(b) Plan?

LOWER TAXES

The 403(b) contributions you make can be on a pre-tax basis. This means that the money used to invest in the 403(b) plan is not taxed until the funds are withdrawn. For example, if your federal marginal income tax rate is 25%, and you contribute \$100 a month to a 403(b) plan, you have reduced your federal income taxes by nearly \$25. In effect, your \$100 contribution costs you only \$75. The tax savings grow with the size of your 403(b) contribution.

TAX-DEFERRED GROWTH

In your 403(b) plan, interest and earnings grow tax-deferred. This means that your interest will grow tax-free until the time of your withdrawal. The compounding interest on your 403(b) plan allows your account to grow more quickly than money saved in a taxable account where interest and earnings are taxed each year.

TAKING THE INITIATIVE

Contributing to a 403(b) retirement plan helps you take control of your future retirement needs. Other sources of retirement income, including state pension plans and Social Security, often do not adequately replace a person's salary upon retirement. A 403(b) plan can be a great way to supplement your income at retirement.

POSSIBLE TAX CREDITS

Pre-tax contributions may put you in a lower tax bracket reducing your overall tax rate.

DISTRIBUTIONS FROM THE PLAN

You or your beneficiary will be able to withdraw your vested balance when one of the following occurs:

1. Retirement
2. Termination of Employment
3. Attainment of Age 59 ½
4. Total Disability
5. Death

The vendors may require additional paperwork.

LOANS

You may borrow up to 50% of your vested balance up to \$50,000 (whichever is less). Contact your current vendor about their specific loan provisions.

REQUIRED MINIMUM DISTRIBUTIONS (RMD)

Distributions are required at age 73. Exceptions may apply.

HIGHER LIMITS

Annual contribution limits are much higher than those of an IRA.

How much can you contribute to a 403(b) Plan?

You may elect to save:

- 100% of your income up to \$23,500 (2025)
- Extra \$7,500 if age 50+

HOW TO ENROLL IN THE PLAN

Your employer has provided investment option(s) for you. A list of approved vendor(s) and the Salary Reduction Agreement ("SRA") can be found by visiting the National Benefit Services website at <http://www.nbsbenefits.com/non-erisa-403b-forms/> or by contacting NBS (contact information below).

Once you have chosen an approved vendor, please open a 403(b) account directly with them. To begin investing, send the completed SRA form to NBS who will work with your employer to begin contributions.

INVESTMENT CHOICES

Annuity contracts made available through insurance companies or custodial accounts through a retirement account custodian are allowed in 403(b) plans. You will need to contact the vendor for a comprehensive listing and information regarding the available investment options.

EXCHANGES

As a participant in the 403(b) plan, you have the option to move funds, or "exchange" tax-free between different vendors within the same plan.

ROLLOVERS

You also have the option of rolling retirement funds from previous employers to your current employer's plan thus simplifying retirement management.

ROTH

You may also choose to invest part of your income on an after-tax (Roth) basis. Roth contributions are taxed at the time of the investment though contributions *and* earnings grow tax-free until withdrawn. Qualified distributions will allow you to withdraw your money tax-free.

HARDSHIP DISTRIBUTIONS
